Why Digital Citizenship?

What is Digital Citizenship?

- Digital citizenship can be defined as the norms of appropriate, responsible behavior with regard to technology use.

What does it mean in OUR school?

- Digging in with Tier 1 PBS team to determine:

  - What digital citizenship means to US?

  - How it fits into our current PBS model?

  - How will we incorporate this new area into our teaching and practices?

  - How will we present to staff, students, families, and community members?
