LEADING THE WAY

FOR STUDENT ENGAGEMENT

The RBE Trading Post is designed to be a program where students can be empowered to earn the items they want and need while learning valuable life skills to succeed throughout their lives.

Goals of the Trading Post:

1. Students will have their basic needs met.
2. Students will continually work to improve behavior and/or attendance, thus creating an improved learning environment for the classroom and improving on personal academic levels.
3. Students will increase self-confidence, build self-esteem and boost their sense of pride.
4. Students will learn to accept responsibility for one's actions.
5. Students will learn and practice basic social skills which include economics and learning to be a wise consumer.

MO SW-PBS:

How do students earn and Bucks?

- Beginning the first school day, students began earning two Boone Bucks per day. One buck for attendance, and one for being discipline/office referral free.
- Leadership notebooks-All students K-5 at RBE keep a leadership notebook, where they monitor their attendance, and academic progress. Each student keeps monthly goals for both of these.

Last Month's Ending Balance: 30
