# District Policy Change on Suspensions Led to New Goals and Challenges

- Students K-2 cannot be suspended from school
- Code of Conduct changes required team to revisit major and minor behavior classifications
- Team reflection lead to tightening up building interventions

## Goals:

1. Decrease OSS rate by 50% (school wide)
2. At least 87% of students with 0-1 referrals

# Student Support Model

# Connect Before You Correct

“You can’t teach children to **behave** better by making them feel **worse**. When children feel **better**, they **behave better**.”

Pam Leo,  
Connection Parenting

# The Family Approach

- Family approach
- Shared responsibilities (Committees)
- Grace Hill Partnership
- Community Partnership

# Student Involvement

# Reviewing the Expectations with Technology

- Used Bryan Hill Boot Camp as a chance for Journalism students to videotape each expectation
  - Teachers will have access these videos all year long
  - New students can watch videos on their first day
- Bryan Hill TV has weekly magazine show that showcases an expectation skit and/or character skill

## All Staff serve as Mentors

- Based on family approach of school, all students are seen as everyone's students
- Set as a requirement and expectation working at Bryan Hill
- Created a safe person for students to connect with outside of the classroom and counselor
- Provided opportunity for additional positive interaction with an adult
- List is reviewed and updated at EVERY staff meeting (once a month)
- Mentors participate in any student planning meeting

# Tiered Mentor Supports

## 1. Tier 1 Mentor Support

- a. Daily check in, communication with teacher, serve as buddy room if needed, set goals with student (and follow up!)

## 2. Tier 2 Mentor Support

- a. Involved in creating student support plan, check in at least twice daily, set time spent with student, focus on behavior goals and help monitor/provide incentives, conference and reflect on choices, serve as CICO

## 3. Tier 3 Mentor Support

- a. Collaborate with school support team in creation of BIP, serve as additional source of information for causes of behavior, serve as buddy room/break when needed, sit in on any IEP meetings, communicate with any outside resources when needed, increased interaction with student

# Student Identification Process

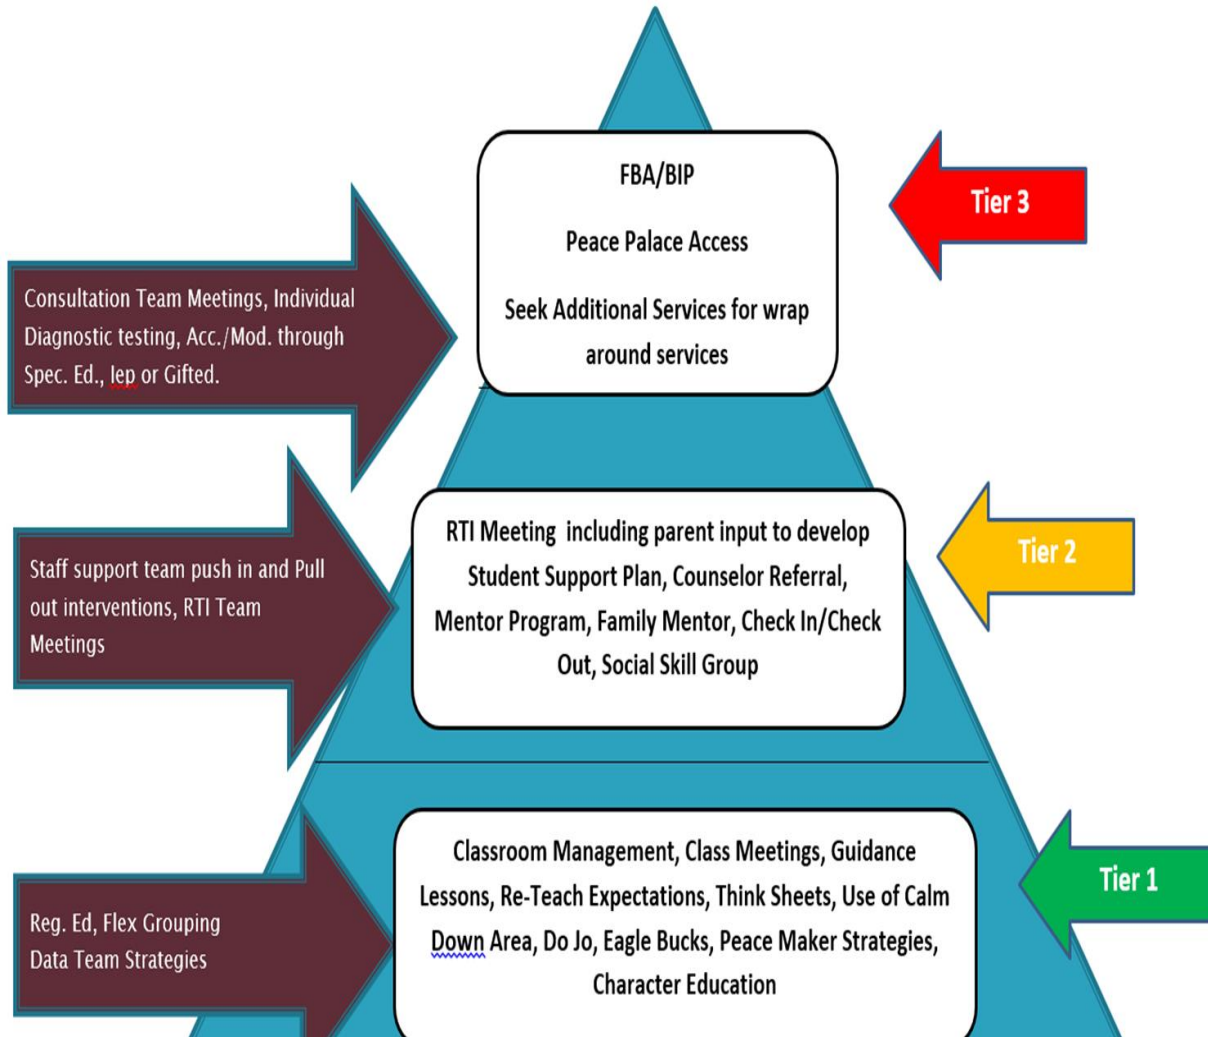

Referral Criteria for additional support:

- **Majors** = 1 referral automatically places students on list
- **Minors** = 2 incidents places student on list for possible mentor, 3+ places student on list
- **Teacher Nomination**—through RTI process and student planning, mentors are added to student's plan
- **Counselor Referral**—Students who are in group, or one on one can also be assigned mentors to reinforce skills

# Tier 1 – Universal Supports

## The Process

- Team Members Regular Ed. Flex Grouping meets
- Monthly Scheduled Meeting Times
- Review Data
- Select Universal Strategies to be implemented in the classroom setting
- Complete the Student Support Form
- Provide PD to teacher if needed
- Teach Student the strategy that will be utilized
- Monitor Progress
- Check for implementation fidelity
