

Topic in Practice

Two scenarios are embedded within the lesson.

Scenario 1

The first scenario is a walk-through of a team analyzing their TFI results.

- How did “digging deeper” with their TFI scores result in a specific focus for improvement?

Scenario 2

The second scenario includes a Tier 2 team taking the TFI, analyzing the results, and revising their action plan based on the results.

- How did “digging deeper” with their TFI scores result in specific items for action planning?
