

“At-Risk” Process

1 Initial Referral

- Agency Referral (within School)
- Parent Referral (outside of school)
- Data Screenings (monitoring)

2 Gather Info

- Behavioral
- Academic
- Attendance
- Missing Work
- Sudden Changes
- Homeless

3 Utilize Data Decision Rules

Does the child meet criteria for interventions?

4 Student Does NOT meet qualification for Interventions at this time

Exit Process **Monitor**
Gather Info **or** **Revisit**

The effectiveness of your interventions will depend largely on your ability to identify the root of the behavior and match that with the proper response

4 Student Does meet Qualifications for Interventions

Identify the Function of Behavior

Identify the Correct Support

Emotional	Counseling	Outside Referral	Mentoring
------------------	------------	------------------	-----------

Behavior	Tier II	CICO	Self Monitor
	Tier III	SGSS	SGOS
		BIP	Check/Connect
		Counselor	Outside Referral

Academic	Tier I	Classroom Interventions
	Tier II	Small Group Interventions
	Tier III	Individualized Interventions
		Tutoring Referral
		IEP Testing/Referral
