Following

Tech is not the magic bullet. Nothing replaces a high quality teacher.

12:42 PM - 31 Jul 2017

1

Why?

We already do great things with
SW-PBIS

Meet Students Where They Are

Tools To Use

Don't Overthink

My Mistakes

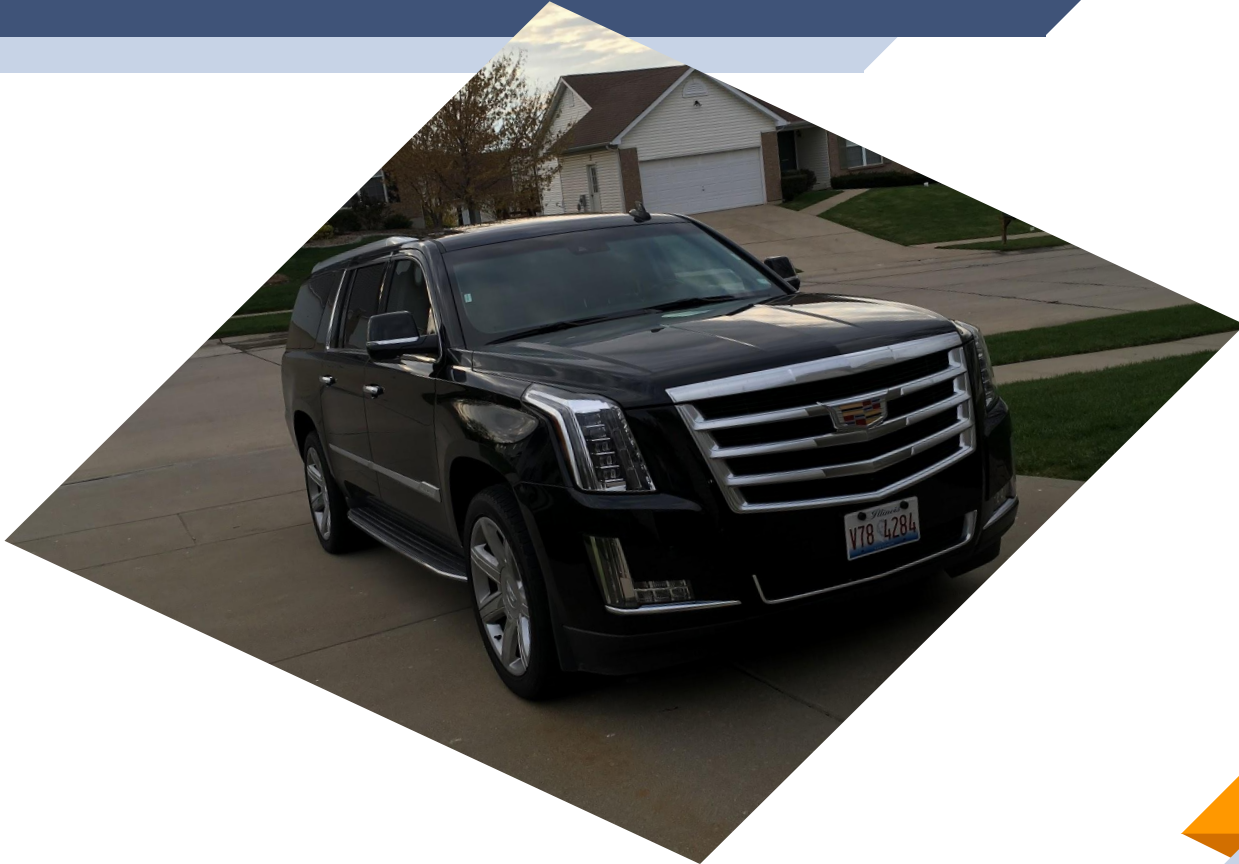

“ Hi, I'm Mike, the new assistant principal. Now I am going to change everything you have done for the past 4 years.

~Me (regrettably)

Make it Attainable

Update those Lessons

Design Lessons Pertinent to Students

- Same old lessons year to year
- Incorporate lessons into the curriculum
- Lessons for the real world

New Lesson Idea

- Iron Chef
 - ▶ A blending of Google and SW-PBS

Keeping Lessons Organized

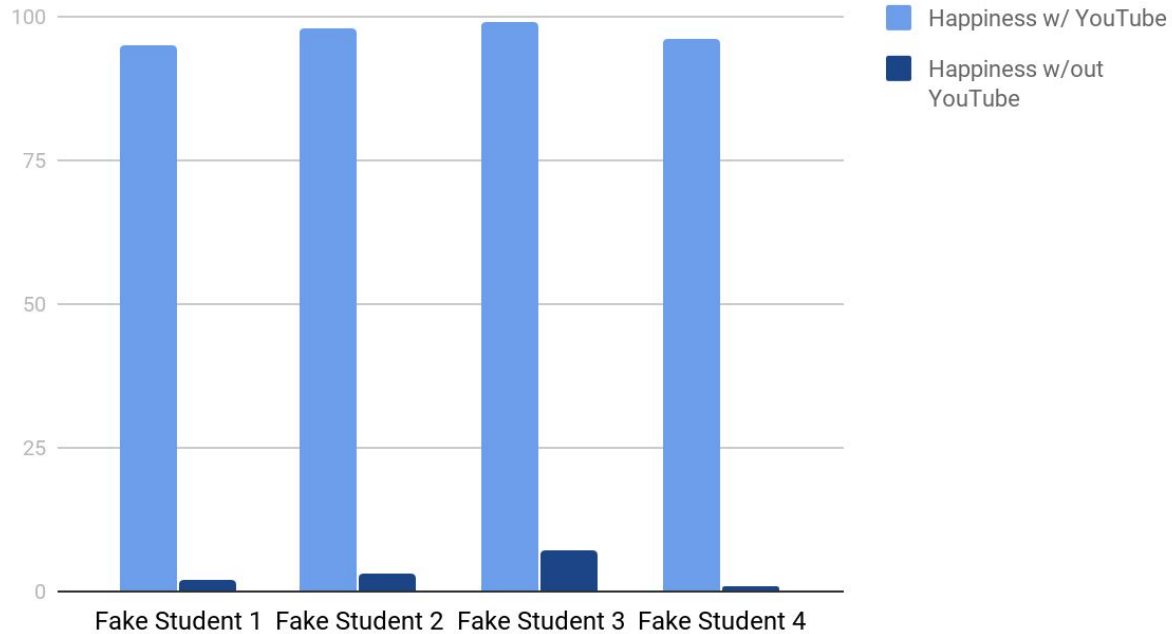

Let's utilize what we know and love!

Kids Love YouTube

Level of Arbitrary Happiness

Source - None...I completely made all of this up.

What do you need to get filming?

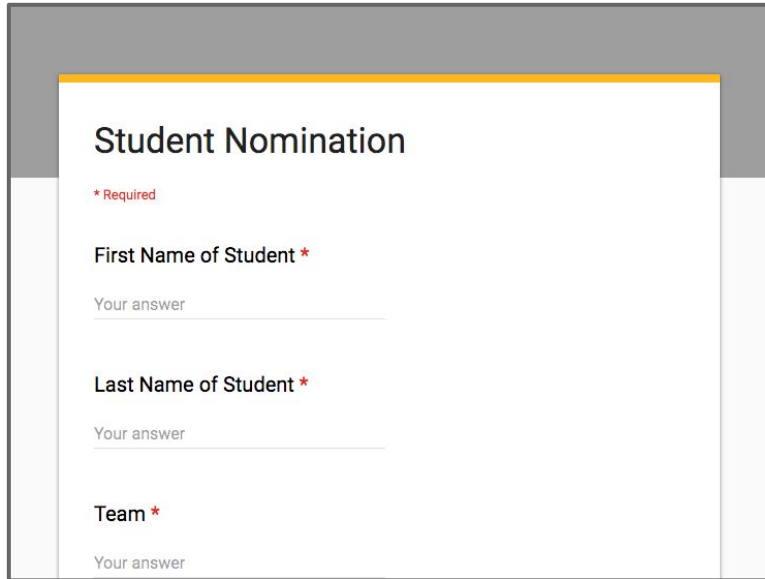

- Ideas
- Equipment
- Time

Use The Data

Student Nomination

The screenshot shows a web form titled "Student Nomination". At the top left of the form area, there is a red asterisk followed by the word "Required". Below this, there are three input fields, each with a label and a red asterisk, and a "Your answer" placeholder text. The first field is labeled "First Name of Student *", the second is "Last Name of Student *", and the third is "Team *".

Student Nomination

* Required

First Name of Student *
Your answer

Last Name of Student *
Your answer

Team *
Your answer

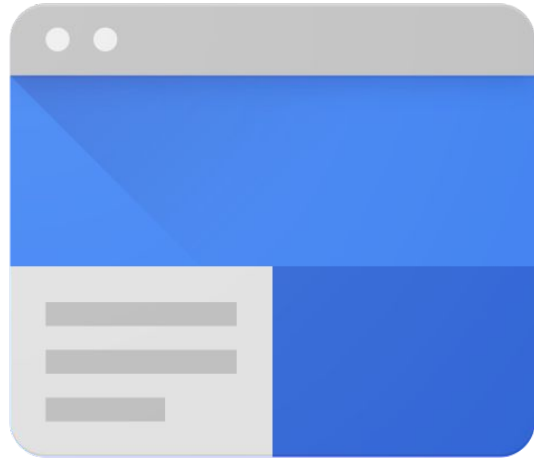

Student Nomination

- Up-to-date information
- Gives overall picture
- Automated

Convenience

One Stop Shop

Anyone know what logo that is?

Brainstorm
