

MO SW-PBS AWARD OF EXCELLENCE

Important Dates:

Survey Deadline Extension: ~~March 31~~ May 1 (exception to the extension are any schools that have already taken the survey, and would like to access their reports).

Application Deadline: ~~April 15~~ May 15, 2020

Notification Date: ~~May 15~~ May 29, 2020

Criteria:

Remains the same, with one important difference; an item will be added to the application allowing you to request a waiver for taking surveys or reporting discipline data on the application.

Waivers:

Surveys and Data: An item will be added to the application form in which the applicant may ask for a waiver for submission of survey data or ODR/Outcome Data (from the application) and must give a justification for the waiver.

Example 1: Our students were scheduled to take the SCS on March 18, but our schools were closed due to the Pandemic on March 15. Therefore, we would like a waiver from the SSS/SCS requirement.

Example 2: Our ODR data is on an Excel file at school; all staff are working from home and we do not have access to our school computers. Therefore, we would like a waiver from entering this information into the application form.

TFI Walkthroughs and Facilitation: We are also waiving the requirement that Tier 1 schools have a consultant conduct the TFI walkthrough and facilitation. National Center recommends, but does not require the walkthrough. We will *not* hold you to the TFI walkthrough.

Awards Ceremony: Initial awards will be celebrated during a Facebook Live event (date to be announced). Actual awards will be handed out in a ceremony or ceremonies when school resumes (more information to come).

MARY MILLER-RICHTER SCHOOL AND DISTRICT OF DISTINCTION AWARDS

Application Deadline: ~~April 15~~ Extended to May 15

Scoring: Applications will be forwarded to Dr. Lewis. He and his team at the MU Center for Positive Behavior Support will select the winners.
