

On Friday, May 14, 2021 Missouri Schoolwide Positive Behavior Support formally announced the names of the 110 Missouri schools who have earned the ***Award of Excellence*** from Schoolwide Positive Behavior Support (SW-PBS) for their exemplary implementation of multi-tiered systems of behavioral support during the 2020-2021 school year. The formal recognition ceremonies will take place at Regional Professional Development Centers across the state on **June 8th**. Please contact your Consultant for more information.

SW-PBS is an evidence-based, proactive approach to teaching and reinforcing positive behavior in students, thereby improving student behavior, creating safe schools, and maximizing instructional time and student engagement. Successful systematic changes, such as SW-PBS, will help Missouri reach the goal of The Missouri Department of Elementary and Secondary Education's **Show-ME Success Plan** which focuses on preparing all Missouri students to graduate ready for success.

Feedback from our some of our partner MO SW-PBS Recognition recipients includes:

- *This is a great honor and the hard work of many.*
- *Thank you, Thank you, Thank you. This is a much-needed happy high point in our year. Thank you for all you do. Can't wait to share all the stuff we are rolling into next year.*
- *This is awesome! We are so proud of our team! Thank you for your support and letting us know.*

Our thanks to all the educators, administrators, staff, students and family members who are working together to make school a place where everyone belongs and is successful, whether in person or virtually.
