

SW-PBS for Littles

Lessons Learned in a Gold PK-I School That Your School
Can Implement Tomorrow

Outcomes: Receive hints and tips that will make SW-PBS implementation easier and more successful.

Do you worry that everyone but you has a superpower? In this fast-paced session, participants will hear about the five most-important lessons the presenters have learned about successful SW-PBS implementation in a PK-I setting. Participants also will discover a dozen tricks and cheats that have made successful SW-PBS implementation a snap for our school.

PBS Boot Camp

Timing: Summer

Participants: EVERYONE!!

Description: Learn about our successful boot camp where everyone gets off on the right foot.

PBS Day at WVLE

Timing: 1st Friday of the school year

Participants: All teachers and All students

Description: Learn about our PBS Kickoff where students learn about our behavior matrix in all 6 settings.

Morning Meetings

Timing: 7:45 to 8:00 daily

Participants: All classrooms virtually

Description: Learn about our morning meetings where we provide SW-PBS lessons, highlight PBS accomplishments and spotlight students.

Tier 2 Meetings

Timing: DAILY! (8:00-8:30)

Participants: Tier 2 team and various teachers

Description: Learn about our Tier 2 meetings where we use data to identify antecedents, clarify behaviors and match appropriate supports.

The background of the slide is a faded, light-colored image of the Avengers team from the movie 'Avengers: Endgame'. The characters are arranged in a group, with Iron Man in the foreground, and other heroes like Thor, Hulk, and the Guardians of the Galaxy behind him. The overall tone is soft and ethereal.

SAEBRS

Timing: Fall, Winter and Spring

Participants: All Classroom Teachers

Description: Learn about using SAEBRS as universal screener where we improve our Tier I effective practices.

The background of the slide features a collage of Star Wars characters, including Luke Skywalker, Han Solo, Chewbacca, Leia Organa, and others, set against a space-themed background with light streaks and a starry sky.

Student of the Month

Timing: Monthly

Participants: 1 Student per Class

Description: Learn about our Student of the Month celebration where we reinforce our SWV-PBS goals and recognize individual achievement.

Celebrations

Timing: As often as possible

Participants: Students, Classes, Whole School

Description: Learn about our celebrations where we recognize our SW-PBS accomplishments (with specific examples and lessons learned!)

The background of the slide is a faded, light-colored image of the Star Wars Resistance crew. It features characters like Kaz, Sabine, and others in their flight suits, set against a backdrop of blue and purple light effects, suggesting a space or battle environment.
