Feedback Video Checklist		
Type of Feedback	**Definition and Examples**	**Document strategies observed in video**
Specific Positive Feedback	• Verbal or gestural response to expected behavior • Specifically states the observed behavior Examples: You were being **safe** by keeping your hands to yourself. Tommy, great job of completing your assignment that is being **responsible**.	
Non-Specific Positive Feedback	• Verbal or gestural response to expected behavior • Does not specifically state the behavior observed Examples: ● Good Job ● Way to go	
Specific Corrective Feedback	• Verbal or gestural response to a behavior error • Specifically states what the expected behavior should be Examples: ● Proximal Praise or Control ● Redirect ● Reteach ● Provide Choice ● Conference	
Non-Specific Corrective Feedback	• Verbal or gestural response to a behavior error • Punitive in nature • Does not specifically include a component to teach the expected behavior Examples: Sit down Stop talking SHHHHHH!
