

Team Activity

Begin brainstorming a classroom system to encourage expected behavior to give you practice using the form provided. Be sure to include short-term immediate reinforcers, as well as those that require more sustained effort. Be sure that you meet the needs of “seekers” as well as “avoiders.” Use My Classroom Recognition System form.

MY CLASSROOM RECOGNITION SYSTEM

Name: _____ Date: _____

	Social Recognition	How I Monitor	Tangible Recognition	How I Monitor
Free and Frequent				
Intermittent				
Occasional
