

Student's Goals:

1. I will not talk when the teacher is talking and I will raise my hand to ask for help or answer a question.
2. I will stay on the website that I am supposed to be on.
3. I will not put my hands on another student or their belongings.

| Class | Did student blurt out (say words or make noises when the expectation was to be quiet)? | Did student use their laptop to access only teacher-approved websites? | Did student put their hands on another student or their belongings? | Initials |
