

On Friday, May 13, 2022 Missouri Schoolwide Positive Behavior Support (MO SW-PBS) formally announced the names of the 113 Missouri schools who have earned the **Award of Excellence** from Schoolwide Positive Behavior Support (SW-PBS) for their exemplary implementation of multi-tiered systems of behavioral support during the 2021-2022 school year. This year, formal recognition of schools will be arranged by the MO SW-PBS consultants from each region.

SW-PBS is an evidence-based, proactive approach to teaching and reinforcing positive behavior in students, thereby improving student behavior, creating safe schools, and maximizing instructional time and student engagement. Successful systematic changes, such as SW-PBS, will help Missouri reach the goal of The Missouri Department of Elementary and Secondary Education's **Show-ME Success Plan** which focuses on preparing all Missouri students to graduate ready for success.

Feedback from some of our partner MO SW-PBS Recognition recipients includes:

- Thank you so much for the recognition! Our team has worked hard this past several years to implement tier 2 practices!
- Thank you all for letting us know! I appreciate all of your support as well. We are very excited!
- *Thank you, Thank you, Thank you. This is a much-needed happy high point in our year. Thank you for all you do. Can't wait to share all the stuff we are rolling into next year.*
- *This is awesome! We are so proud of our team! Thank you for your support and letting us know.*

Our thanks to all the educators, administrators, staff, students and family members who are working together to make school a place where everyone belongs and is successful.
