### HHL9 2-fold goal:

1. Help teachers self-monitor and adjust implementation.
2. Help building- & district-level teams determine implementation support needs.

Hatton, Heather L., 5/31/2023

**Session Objectives**

- Explore options for self, peer, and expert teaching **implementation supports** to improve implementation of **increase teachers' use** effective instructional practices.
- Consider the data characterizing effective classrooms.
- Identify systems needed to support continuous ~~assessment~~ **improvement with** and differentiation of classroom practices.

DBDM  
Next Steps

- Create reports
- Automate navigation
- Automate post-observation performance feedback
- Create a data review protocol
- Create an action plan template
