

MO SW-PBS 2023/2024 Submission Data Schedule

The purpose of MO SW-PBS data submission and School of Excellence Awards are to encourage best practice and to ensure schools have the data that they need to make decisions that benefit students.

Data	2023/2024 Expectation	Rationale
DBDM/Solution Plan or Monitoring Meeting -or- Team Meeting Minutes and Big-5 Report	Criteria: Submit at least one per quarter. Due: Oct 27, Jan 19, Mar 22, May 24	Schools that regularly use office discipline referral (ODR) data to plan schoolwide interventions improve school climate and behavioral outcomes for students. Schools that regularly use data for decision making are more likely to sustain implementation (McIntosh, et al.).
Climate Survey: Complete either of the following: School Climate Survey (SCS) online at PBISApps or District Selected Climate Survey	Criteria: ≥ 80% of students complete a climate survey Window: Jan 29 – Mar 29	For many students, school is the only safe and predictable place they have. The SCS monitors the extent to which schools are providing this safe and predictable environment for students.
Tiered Fidelity Inventory (TFI) Taken online by the leadership team at PBISApps for each tier that school is training at or implementing	Criteria: ≥70% in place on the Tier 1 Scale; Complete at least once annually in Spring, and once in the fall when beginning training Tier. (Tier 1 Recognition applicants must have an external walkthrough & facilitation) Window: Aug 1 – Sep 29 (Baseline, 1 st year training at a Tier) Jan 29 – Mar 29 (Annual; All MO SW-PBS Schools)	The TFI is a fidelity assessment that measures leadership team perceptions of the extent to which systems of support are in place at all three tiers of support. Data is used to improve implementation.
Self-Assessment Survey (SAS) Taken online at PBISApps by entire staff.	Criteria: ≥80% of staff complete in the Spring of the year; ≥70% on the School-wide and Classroom Scales. Window: Jan 29 – Mar 29	The SAS provides important information regarding staff perceptions of whether systems and practices of SW-PBS are in place.
Student Outcome Data (SOD) download Completed using a link that is emailed to team members in May	Criteria: Student outcomes related to assistance referrals and ODRs, disaggregated by grade level and disability status. Window: May 1 – June 28	In order to monitor whether SW-PBS is having the desired impact, schools need to monitor student outcomes.
MO SW-PBS Artifacts (Tier 1) download Matrix, Tier 1 Action Plan, Lessons, Teaching Schedule, Recognition System, Minor & Major definitions, Walkthrough, & Flowchart	Criteria: Submit all required artifacts; score 100% on the Tier 1 Artifact Scoring Guide Single Point Rubric Due: April 15 (submit throughout the year for feedback)	Tier 1 Artifacts provide evidence that SW-PBS systems are in place.
Tier 2 Action Plan	Criteria: Must be current Due: April 15	Schools review Tier 2 data annually and revise action plan in order to engage in cycles of continuous improvement.
Tier 2 Development and Implementation Checklist	Criteria: ≥80% with no “0’s” on the Intervention Essential Features for two or more Tier 2 interventions	Schools implement evidence-based tiered interventions with fidelity.
Tier 2 and Tier 3 Intervention Outcomes	Criteria: Includes # enrolled each intervention, # with positive response, # who graduated, and # requiring more intensive support Due: April 15	Tiered interventions provide support to all students who will benefit, and fade support from students who no longer require them.
Tier 3 Action Plan	Criteria: Must be current Due: April 15	Schools review Tier 3 data annually and revise action plan in order to engage in cycles of continuous improvement.
Functional Behavior Assessment/Behavior Intervention Plan for a student (name redacted)	Criteria: ≥80% with no “0’s” on the FBA/BIP Rubric Due: April 15 (submit throughout the year for feedback)	Schools implement evidence-based tiered interventions with fidelity.
