

# Classroom Implementation: *The Key to Success*

**Danielle Starkey**

MTSS-B Supervisor

Omaha Public Schools

Every student. Every day. Prepared for success.

# Session Outcomes

By the end of this session, you will...

- Understand the importance of classroom implementation fidelity.
- Review effective classroom practices.
- Consider using a walk-through tool to monitor implementation.

# Session Expectations & Attention Signal

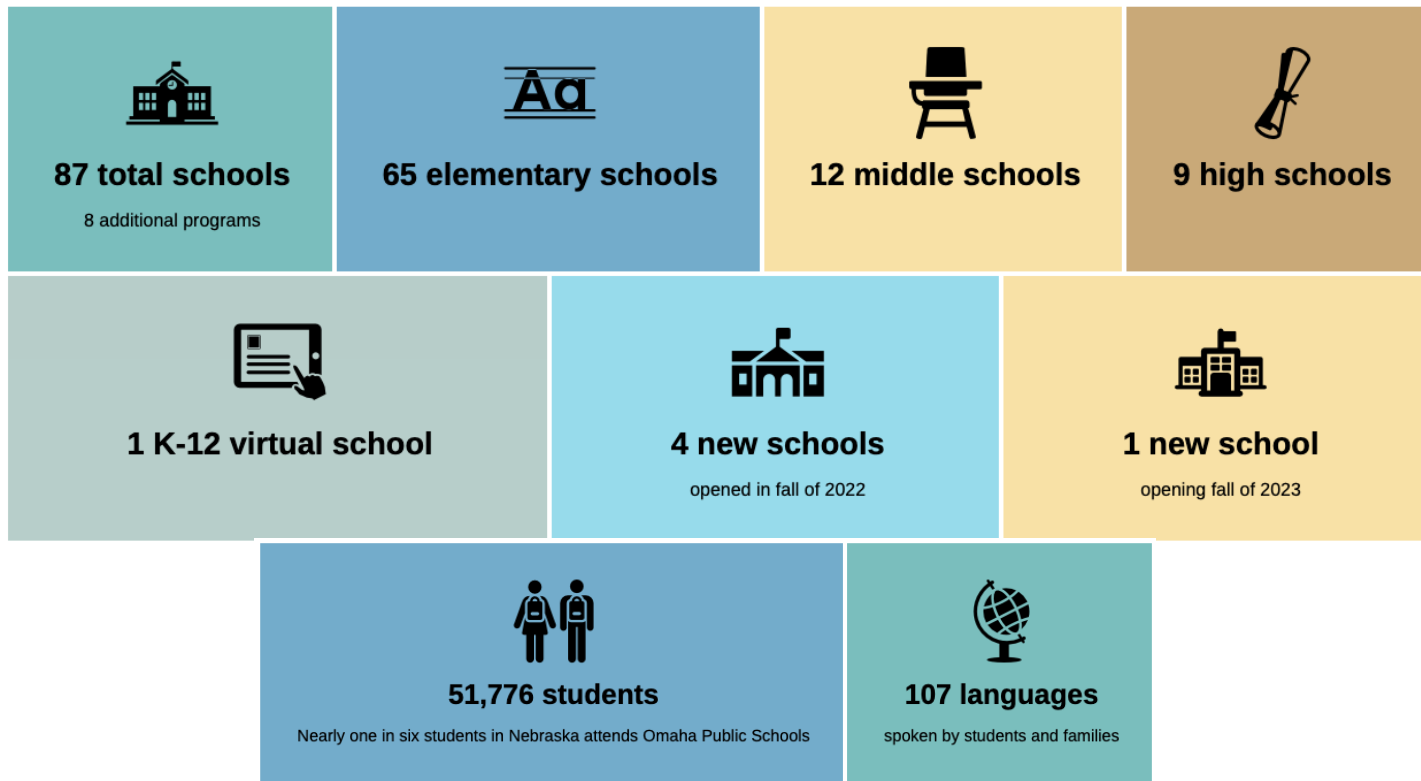

- **Responsible**
  - Engage in session activities
  - Silence cell phones, reply appropriately
- **Respectful**
  - Be an active listener, open to new ideas
  - Respond promptly to attention signal

# Welcome Inclusion Activity

What is one value or belief that you hold dear in your role as an educator, and how does it influence your approach to supporting students' social-emotional behavioral well-being?

# Omaha Public Schools

Every student. Every day. Prepared for success.

# Student Demographics

Every student. Every day. Prepared for success.

# MTSS-B Implementation in the Omaha Public Schools

- Phased approach beginning in 2015-2016
- All schools/programs implement Tier 1
- All schools/programs working towards Tier 2 and 3 implementation
  
- MTSS-B implementation is included in our OPS Strategic Plan of Action.

“The goal of effective classroom management is not creating “perfect” children, but providing the

*perfect environment*

for enhancing their growth, using research-based strategies that guide students toward increasingly responsible and motivated behavior.”

*(Sprick, Knight, Reinke & McKale, 2006, p. 185)*

# Importance of Classroom Implementation

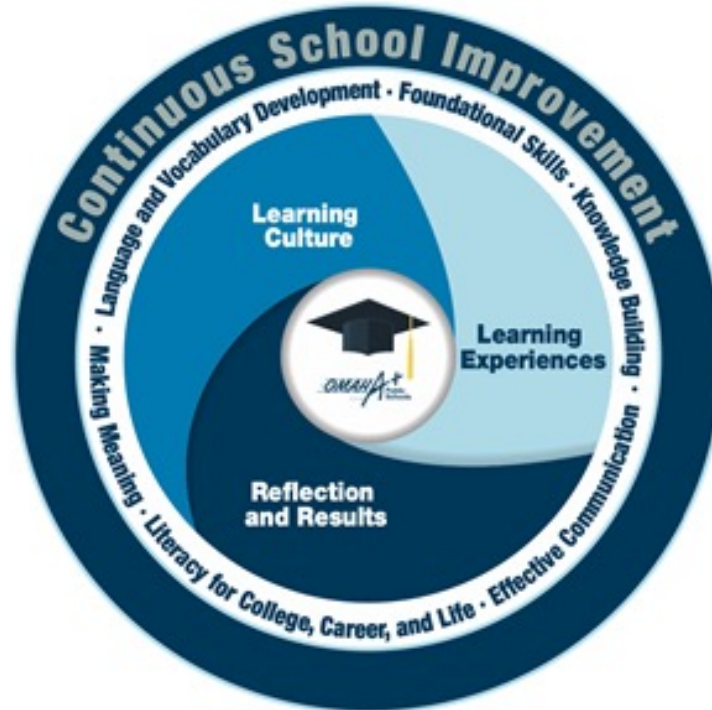

- Classroom Systems subscale (SAS) is the strongest predictor of schoolwide implementation and student outcomes.
- Regular acknowledgement of expected student behaviors (4:1) is critical to sustainability.
- Teachers need access to assistance and recommendations.

(Matthews et al., 2013)

# Effective Classroom Practices

1. Expectations & Rules
2. Procedures & Routines
3. Encouraging Expected Behavior
4. Discouraging Inappropriate Behavior
5. Active Supervision
6. Multiple Opportunities to Respond
7. Activity Sequencing & Choice
8. Task Difficulty

Omaha Public Schools  
**Learning Framework**

Delivering on the  
**Portrait of a Graduate**

Every student. Every day. Prepared for success.

Multi-Tiered Systems of Support for Behavior

# Example Data Report

- Summary of collated classroom observations
- Focused on Effective Classroom Practices implementation
- Highlights real time data on classroom-level practices

### School Classroom Observations Summary

#### Classrooms Expectations & Rules

| 1.26.22 |   |
|---------|---|
| 7.7%    | Classrooms that had positively stated classroom rules, aligned with schoolwide expectations that were visible.                            |
| 61.5%   | Classroom teachers that regularly referred to the expectations/rules to pre-correct, encourage, and correct behavior.                     |
| 7.7%    | Classroom teachers that provided two or more pre-corrects, or reminders of expectations before the behavior is needed to be demonstrated. |

#### Classrooms Procedures & Routines

| 1.26.22 |  |
|---------|--|
| 53.8%   | Classrooms that had clear procedures for managing transitions.   |
| 84.6%   | Classrooms that had clear and consistent procedures for getting the teacher's attention and responding to teacher questions. |
| 92.3%   | Classroom where the teachers gained the attention of all students at the beginning of a lesson or transition.                |

#### Encouraging Expected Behavior

| 1.26.22 |  |
|---------|--|
| 1.1 : 1 | Ratio of Positive Feedback to Corrective Feedback.   |
| 38.5%   | Classroom teachers that used a reinforcement system to acknowledge appropriate student behavior. |
| 75%     | Classroom teachers that provided non-contingent attention to most students in the classroom.     |

#### Discouraging Unexpected Behavior

| 1.26.22 |   |
|---------|---|
| 1.1 : 1 | Ratio of Positive Feedback to Corrective Feedback.                        |
| 73.5%   | Corrective feedback was specific and told the student what to do instead. |

#### Active Supervision

| 1.26.22 |   |
|---------|---|
| 100%    | Classroom floorplans allowed for ease of movement.                                      |
| 53.8%   | Classroom teachers moved frequently around the room.                                    |
| 84.6%   | Classroom teachers used frequent scanning.  |
| 61.5%   | Classroom teachers demonstrated frequent positive and corrective feedback interactions. |

Every student. Every day. Prepared for success.

Multi-Tiered Systems of Support for Behavior

### School Classroom Observations Summary

#### Classrooms Expectations & Rules

| 1.26.22 | 4.27.22 |   |
|---------|---------|---|
| 7.7%    | 26.7%   | Classrooms that had positively stated classroom rules, aligned with schoolwide expectations that were visible.                            |
| 61.5%   | 40%     | Classroom teachers that regularly referred to the expectations/rules to pre-correct, encourage, and correct behavior.                     |
| 7.7%    | 13.3%   | Classroom teachers that provided two or more pre-corrects, or reminders of expectations before the behavior is needed to be demonstrated. |

#### Classrooms Procedures & Routines

| 1.26.22 | 4.27.22 |   |
|---------|---------|---|
| 53.8%   | 60%     | Classrooms that had clear procedures for managing transitions. <i>(Note: Transitions occurred at a similar frequency during both observations.)</i> |
| 84.6%   | 80%     | Classrooms that had clear and consistent procedures for getting the teacher's attention and responding to teacher questions.                        |
| 92.3%   | 100%    | Classroom where the teachers gained the attention of all students at the beginning of a lesson or transition.                                       |

#### Encouraging Expected Behavior

| 1.26.22 | 4.27.22 |  |
|---------|---------|--|
| 1.1 : 1 | 1.9 : 1 | Ratio of Positive Feedback to Corrective Feedback.   |
| 38.5%   | 53.3%   | Classroom teachers that used a reinforcement system to acknowledge appropriate student behavior. |
| 75%     | 84.6%   | Classroom teachers that provided non-contingent attention to most students in the classroom.     |

#### Discouraging Unexpected Behavior

| 1.26.22 | 4.27.22 |   |
|---------|---------|---|
| 1.1 : 1 | 1.9 : 1 | Ratio of Positive Feedback to Corrective Feedback.                        |
| 73.5%   | 73.8%   | Corrective feedback was specific and told the student what to do instead. |

#### Active Supervision

| 1.26.22 | 4.27.22 |   |
|---------|---------|---|
| 100%    | 100%    | Classroom floorplans allowed for ease of movement.                                      |
| 53.8%   | 53.3%   | Classroom teachers moved frequently around the room.                                    |
| 84.6%   | 100%    | Classroom teachers used frequent scanning.  |
| 61.5%   | 80%     | Classroom teachers demonstrated frequent positive and corrective feedback interactions. |

# Promoting Classroom Support

- MTSS-B Team Training
- MTSS-B Building Coach Meetings
- Principal and Administrator Meetings
- Teaching & Learning Consultants
- District Professional Development
  
- Omaha Public Schools Learning Framework

## How do MTSS-B and SEL Align in all Omaha Public Schools and Programs?

MTSS-B and SEL are frameworks that work together to provide an ethic of care for students and promote success in students' academics, behavior, attendance, and overall well-being. Combined they create positive learning environments where students and staff are equipped with resources and skills for successful school communities.

Every student. Every day. Prepared for success.

# In the Classroom

# SEL is...

The process through which all young people and adults acquire and apply the knowledge, skills, and attitudes to:

- Develop healthy identities
- Manage emotions and achieve personal and collective goals
- Feel and show empathy for others
- Establish and maintain supportive relationships
- Make responsible and caring decisions

# SEL & MTSS-B: Where Do They Intersect?

- Explicitly teach CASEL skills to students
- No assumptions that students already know how to behave or how to manage their feelings and emotions
- Focus on how SEL are the building blocks for increased academic engagement and learning
- Understand how feelings may influence behavior

We all need these...

©2020 CASEL. ALL RIGHTS RESERVED.

In order to do these...

## BUNNY CODE HALLWAY

### BE RESPECTFUL

- Go directly to your destination
- Avoid interrupting classrooms during learning
- Use professional language

### BE RESPONSIBLE

- Use a hallway pass at all times
- Have your ID/lanyard visible
- Be in your assigned room when the bell rings

### BE SAFE

- Move with order and purpose to your destination
- Stay to the right when walking down hallways
- Avoid entering other classrooms

TRADITION • PRIDE • EXCELLENCE

Classroom Agreements: How do we want to feel in our school/classroom?

Every student. Every day. Prepared for success.

# Optimistic Closure

What specific strategies or activities can you incorporate into your classroom or school building to integrate SEL and MTSS-B principles effectively?

# Thank you! Questions?
