

SYSTEMS

Facilitate effective SW-PBS team meetings

DATA

Ensure student identification criteria are still being followed:

- Have any student populations been over identified?
- Are you criteria capturing the need of all students for identification?
- Is your team providing intervention within your serviceable base rate?
- Do you need to reshare identification criteria with partner stakeholders?

PRACTICES

Review each student receiving Tier 2 interventions & their plans

Do any parts need clarification or updates?

Make sure to communicate plan changes with students, parents, and teachers involved

Consider applying for MO [SW-PBS Award of Excellence](#) by April 15

Use data to progress monitor students who are receiving Tier 2 intervention

- Are interventions working for them?
- Do interventions require tweaking?

Assess fidelity and social validity of any intervention within 2 weeks of implementing

Make plans to attend Summer Institute June 3-4, at Tan Tar A Conference Center.

Room discounts available thru May 1 based on availability for \$148 [here](#).

Provide 2nd quarter overview of de-identified individual student outcome data to partner stakeholders:

- Staff
- Administration
- School Board
- Families

Are any students ready to graduate from interventions?

Plan a celebration to recognize their achievement and continue relationships with intervention alumni

Consider entering our
Poster Session.
