

Your child, _____ has been identified as having attendance concerns for the 24-25 school year. The South School Counselor's office is implementing an Attendance HERO group. HERO stands for Here Everyday, Ready and On Time.

During this 5 week's group, we will address topics about students' feelings toward school, attendance routines, and barriers to attendance. At the end of the attendance group, each student will have an attendance improvement plan. There will be 5-6 group members and we will meet one morning a week per grade level during breakfast time from 7:50-8:15.

If you have any questions or do not want your child to participate, please contact the South School Counselor office at 573-717-1135 ext. 4.

Thank you,

Mrs. Jennifer Nigut
Mrs. Mallory Dollins
