

MO SW-PBS Coaches Corner Tier 1

4th Quarter 2025-26

Systems

- If you received MO SW-PBS Recognition, make a plan to share the news with students, staff, school board, families, and the community.
- Reflect on the application process and feedback from your Regional Consultant.
- Begin to make plans for team composition and needs for the upcoming year:
 - What worked well and we should keep?
 - What was challenging and may need revision?
- Finalize plans for your team to attend MO SW-PBIS Summer Institute on June 9-10
- Plan for summer SW-PBS work dates and focus topics by reviewing data, setting goals, and scheduling PD for the school year to come

Data

- **Submit Tier 1 Q4 meeting minutes &/or Solution Plan by May 29, 2026** (See our [Quarterly Data Schedule](#))
- Generate data reports and use a DBDM process as you review the TFI, SAS, and Climate Surveys
- Review and compare observational, fidelity & outcome data to identify areas of growth to update your action plan
- Provide 3rd quarter overview of schoolwide student outcome data to stakeholders

Practices

- Plan activities for students, staff, & family engagement to highlight PBIS successes from the school year
- Review & revise the following as needed: Matrix, Lessons Plans & Schedule, Encouragement & Discouragement Systems, Data Collection Process, and Stakeholder Engagement
- Start making plans for summer work and back to school professional learning; consult your Regional Consultant for August PD
- Follow the communication plan to share PBIS updates with stakeholders through your website, newsletters, emails, and school board reports
