

# MO SW-PBS Coaches Corner Tier 3

4th Quarter 2025-26

## Systems

- Discuss your Tier 3 Team roster for the upcoming school year and reorganize if needed
- Plan for summer work as needed related to Tier 3
- Revise your Tier 3 systems as needed for the upcoming school year
- Plan for Tier 3 professional learning for the upcoming school year

## Data

- Follow decision making guidelines for fading or continuing interventions prior to the end of the year
- Identify students who are ready to graduate from intervention, how you will monitor them using data
- Review and update student identification guidelines for the upcoming year

## Practices

- Plan celebrations for students who meet criteria for intervention graduation
- Make plans for students who will need to continue interventions through the end of the year and into the upcoming year
- Review and revise Tier 3 interventions as needed
- Make plans for Tier 3 team and staff training around Tier 3 interventions for the upcoming year
